

USER GUIDE TO INSTALL/JOIN SAKA BLOODLINE COMPETITION 2026

note: You can pay immediately in step 3 after completing step 2 in the registration, however if you accidentally closed the payment form before completing the payment you need to pay in “Check Status” section because you are considered registered but unpaid.

1. Complete your registration and payment – Once you have completed payment, you will receive your unique access code to enter the game. Below it is the download game button.

2. Press the download link and press “Download anyway”

Google Drive has detected issues with your download

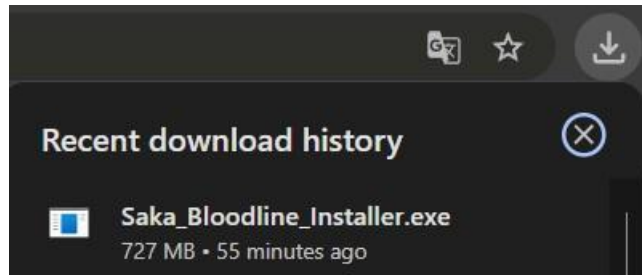

This file is too large for Google to scan for viruses.

This file is executable and may harm your computer.

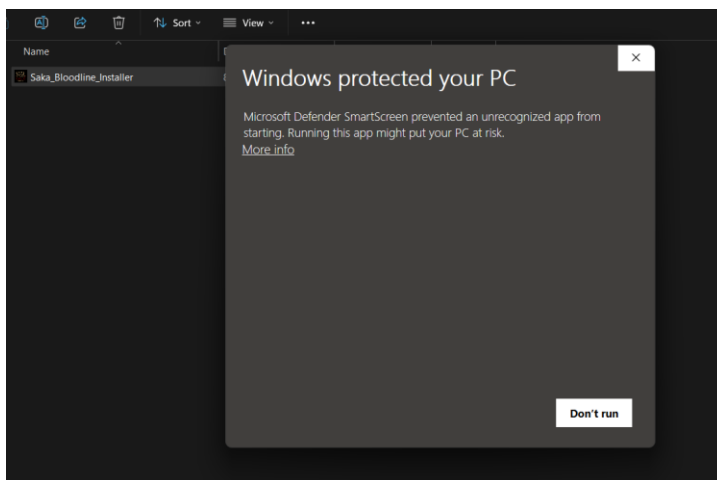

[Saka_Bloodline_Installer.exe](#) (642M)

Download anyway

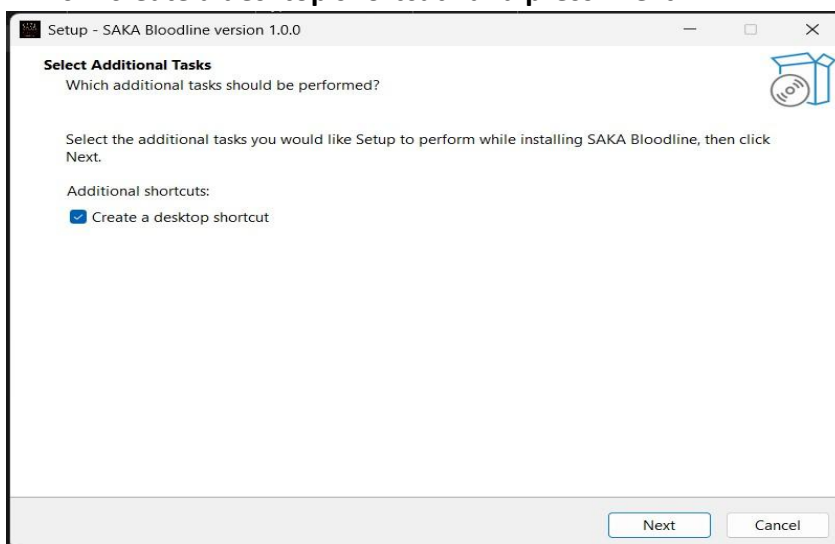

3. The installer for SAKA BLOODLINE will begin installation

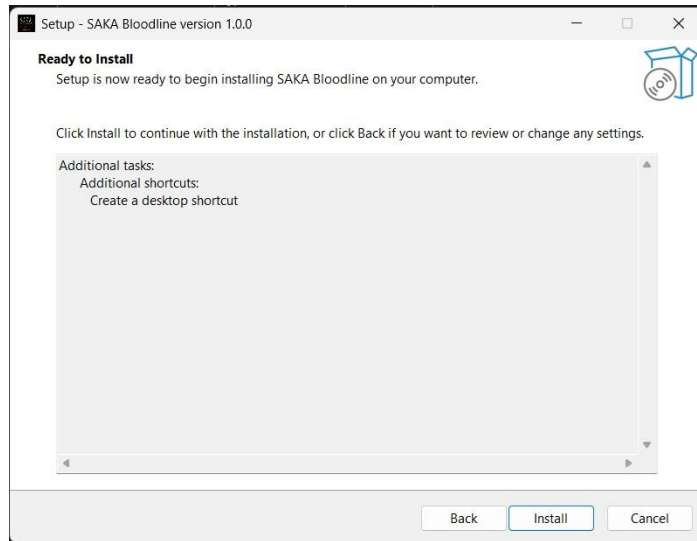

4. You might get an unrecognized app warning – Press More info and “Run” anyway (The game file is too big for scan)

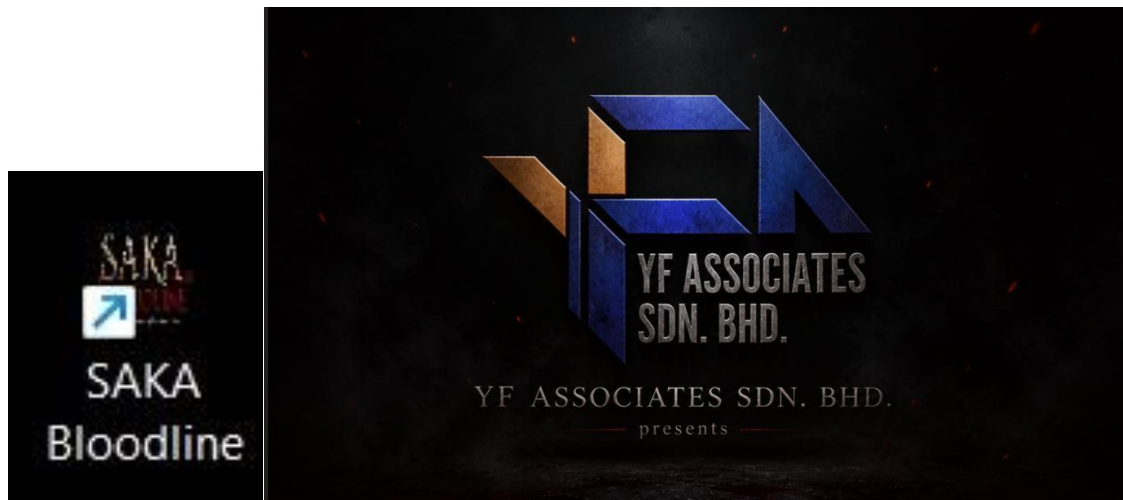

4. Tick “create a desktop shortcut” and press “next”.

5. Press “install”

6. Open SAKA BLOODLINE after its done installing. – press “esc” key to skip to “START GAME”

7. Press “START GAME” - wait for the game to load

8. Choose “Pertandingan” for competition mode

9. Put your unique access code - Can be checked in “Check Status” in sakabloodline.life page and begin your attempt! The time starts after tutorial ended and the time will end after player reject susuk pusaka at the end of the game.
